

# PureCharge Station®

Ready-to-go charging for iPads. Each station arrives with pre-installed Lightning cables, reducing setup time so you can focus on device deployment for your business or school.

## OPTIMIZED FOR APPLE

Pre-wired with custom Lightning cables that are optimal length for each slot with right angled connector that makes it easy to connect devices.

## READY TO USE

The PureCharge Station comes fully assembled ready to load.

## SIZE MATTERS

The compact footprint is perfect for desks and countertops with room to charge up to 20 iPads.

## BUILT TO LAST

Each unit is fully welded. Designed and built in the USA.

**OPTIMIZED FOR iOS DEVICES**

**FULL RATE CHARGING** | Provides simultaneous, maximum charging rate to each device.

**STATUS ON DEMAND** | LED lights positioned over each device let users know when devices are fully charged and ready for use.

**SCALABLE** | Daisy-chain up to three stations to provide charging for up to 60 devices with a single wall outlet.

**POCKET DOOR** | Neatly tucks away securing open space to load and unload devices.

**SECURITY** | Secure devices using a durable padlock included with the cart.
