

# Dell Essential

## Charging Cart

# 24

DEVICE CAPACITY

### STORE CHARGE TRANSPORT

Securely store, efficiently charge and easily transport up to 24 devices between classrooms, laboratories and libraries.

### FUNCTIONAL AND SECURE

The top of the cart serves as a workspace for easy placement of a projector, or any device weighing up to 11kg. Directional locks on the rear wheels allow you to confidently steer your cart across busy hallways with ease.

### FLEXIBLE AND CLEAN DESIGN

Comfortably fit up to 17.3" sized devices within each device bay while power cords are routed through handy notched hooks for clean cable management.

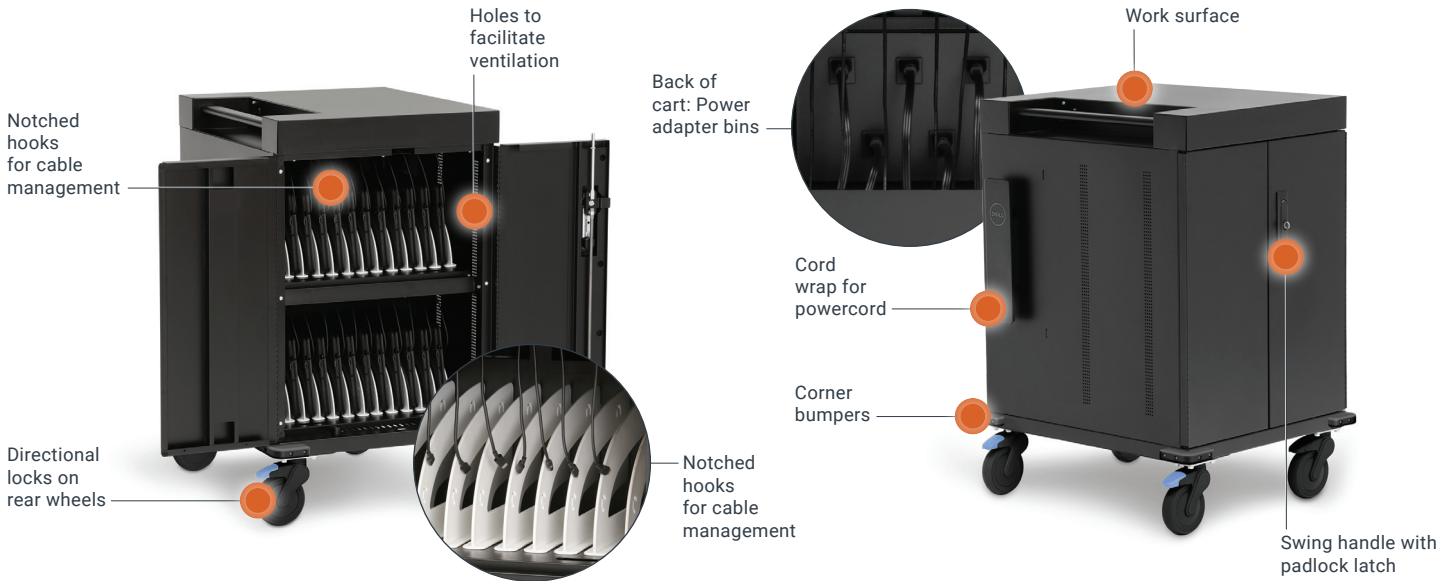

### BUILT TO LAST

Each cart is fully-welded and produced with USA-sourced steel ensuring a reliable and sturdy construction.
