Shipping

Ships ready to assemble, in one carton

Perforated Panels

The Voyager Series features perforated side panels for added style.

Locking Casters

Four 4" casters, each with locking brake, are secured to the base.

Built-to-last

Trucks come with end panels and shelves constructed from 20-gauge steel.

Durable

Arc welded frame construction is built for constant use and your truck will still be in service long after the 12-year warranty runs out.

Safe

Voyager and Duro Series book trucks have achieved GREENGUARD Gold Certification.

Shelves

Height clearance between shelves measures 13".

Options

Choice between two or three shelves of varying length. Shelves are arc welded upright to frames and are 12" deep, with a 5" backstop.
