Charging Carts

APPLICATION

In Computer and Science Labs, there often is a need for specialized mobile devices outside of standard laptops.

CHALLENGE

Whether it be an iOS device like an iPad or iPhone or a rugged/ heavy-duty laptop, these specialized devices need to be stored, charged, managed and secured.

SOLUTION

Bretford's Link and PowerSync charging carts can facilitate device management via Ethernet connection or Apple Configuration tools, allowing IT to manage multiple devices while connected to a Bretford solution.
